

FROM THE FOUNDERS DESK

Coming together is a beginning;
Keeping together is progress; working
together is success
~Henry Ford

Dear Empyreanite,
Over the past 6 months our team has been hard at work giving our 100% to make living @Empyrean an enjoyable experience. I believe that our efforts towards security enhancement and beautification in Grande are being enjoyed by you. Cultural and Club activities are also gaining traction. We hope to see continued participation and support from you towards making our ever vibrant community into the best in Central India.

I also take this opportunity to inform you that we have renewed our Consent to Establish as well as our Consent to Operate from MPCB. The service road joining the Outer ring road to Empyrean has also become operational and made commuting faster and safer.

Over the last 6 months we have tried to maximize our meetings and touchpoints with you and shall continue these meetings as well as regular townhalls in the near future. I see a lot of positivity on the horizon and look forward to continuing on this journey together.

Regards,
Siddharth Saraf
