

## FROM THE FOUNDERS DESK

**"Don't be afraid to start over. It is a new chance to rebuild what you want."**

Dear Empyreanite,

As we head into the last month of the year, with this newsletter I would like to highlight that with the tireless efforts of our team we have completed the maintenance upgradation tasks as committed by us in the Low Rise Cluster of Grande.

The same is continuing in full swing for the rest of the phase as well.

Within these tasks one major project completed is the commissioning of solar panels for all the street lights in Grande.

We also had our Diwali Milan and Cricket Bash in the month gone by, the participation by you was amazing and one of our resident teams also reached the semi finals in the cricket bash and I am looking forward to one of our teams winning next year.

One initiative of ours last month to start a shuttle service was a complete disappointment with Zero commuters during November. Not losing hope we have encouraged a group of auto drivers to ensure one Autorikshaw at the Grande gate during the daytime on an experimental basis. We hope this will give more flexibility and convenience to our residents.

Our team is also hard at work to put together the Annual Christmas Carnival this month, I hope to see you there.

Regards, **Siddharth Saraf**  
Founder, The Empyrean, Nagpur

## PV ROOFTOP SOLAR AT GRANDE

We are glad to inform you that a photovoltaic (PV) system that use energy from the Sun to generate electricity has been installed at Grande; all street lights at Grande shall be operating on this.

# DIWALI MILAN

The Festival of Joy and Light was brightened up with your Presence

Diwali Milan at Club Empyrean was a perfect occasion to revive personal relationships and social ties with great enthusiasm. It encouraged Empyreanites to mingle and interact with each other. A special friendly and pleasant atmosphere with Live Music, Anchor games, Cracker show followed by lavish Dinner made the weekend memorable.

There was an electric energy in The Empyrean's recent cricket tournament, where spirited matches, fierce competition, and moments of sportsmanship came together to create a great spectacle, uniting our vibrant community in a celebration of teamwork and passion for the game.

## NEARBY DEVELOPMENTS

### MIHAN'S JOB REVOLUTION : 1 LAKH OPPORTUNITIES BY 2024

Jobs, Jobs, Jobs! MIHAN is not just a place; it's a gateway to a brighter future! Union Minister Nitin Gadkari reveals the exciting news:

MIHAN is slated to create a whopping 1 Lakh jobs by 2024. Major IT players like HCL, TCS, Infosys, and Tech Mahindra are paving the way for Vidarbha's development. The future is looking incredibly promising for our city's youth!

### GADKARI ANNOUNCES MIHAN EXPANSION, MAKING CITY CARGO CAPITAL, TECH HUB

Abu Dhabi's Lulu Group is planning to set up an international convention centre at Mihaan. Wipro founder chairman Azim Premji to establish units in the project. Persistent Systems, which has over 25,000 workforce, is now setting up a unit at Mihaan and providing 3,500 jobs. Even IT giants like HCL have employed 15,000 and Infosys may employ up to 25,000 in future. Aviation majors like Dassault are making parts of Airbus and Boeing Aircraft. Gadkari and Fadnavis are trying their best to draw more investment to Mihaan.
