

## FROM THE FOUNDERS DESK

"In every walk with nature, one receives  
far more than he seeks."  
~John Muir

Dear Empyreanite,

There is a lot of positive momentum and activity happening in our community. Residents celebrated Yoga Day with full enthusiasm and energy, fostering wellness and unity among us all.

The ISKCON Cultural Center is progressing dynamically, with the completion of the plinth work marking a significant milestone. It's exciting to see these developments taking shape, bringing us closer to realizing our vision for the cultural center.

Our community is thriving with proactive engagement from customers of Daffodil X-15, 16, and 17, which have come to an agreement, and now, discussions are starting in the Carnation Midrise cluster too. Additionally, there has been significant engagement and improvement in maintenance levels, ensuring our community remains in top shape.

Looking ahead, we are excited to announce that we will be celebrating Van Mahotsav In July, which will include a tree plantation drive. This event is crucial for environmental conservation and community engagement. Your full participation will make a significant difference, and we are confident it will be a successful and impactful event.
