

FROM THE FOUNDERS DESK

"The greatest use of life is to spend it for something that will outlast it."
~William James

Dear Empyreanite,

September was a month to remember! The Ganesh Utsav celebrations were truly special, and I want to extend a huge thank you to the organizing committee and everyone involved. From the vibrant sthapna to the beautiful visarjan, every detail over the 10 days was handled with such care. It was wonderful to see everyone—kids, seniors, staff, and support staff—come together and celebrate as one. Let's keep this positive energy going as we look forward to more amazing events!

We also had Pola, which brought out the charm of our village culture. The sight of children dressed as little farmers standing beside the decorated bulls was heartwarming. The event was a great reminder of our roots and the joy of celebrating traditions together.

On the maintenance front, we've started improvements in the Carnation 2/3 BHK cluster to enhance the living experience. Additionally, we've launched a pilot door-to-door garbage collection service in Daffodil Highs. Your feedback will help us fine-tune this initiative as we aim to roll it out across the entire community soon.

As always, it's your involvement and support that make these efforts successful. Let's continue working together to keep our community vibrant, well-maintained, and connected.

Regards, **Siddharth Saraf**

GANESH UTSAV

"Empyreanites celebrated the birth of Vignaharta with peace, joy, and love @ Club Empyrean"

There was incredible enthusiasm, filled with vibrant activities and joyful moments! The festivities kicked off with the traditional sthapna and lehzim, followed by heartfelt pujas.

Throughout the week, there were delightful events, including a kids' dance performance, a ladies' talent show featuring cooking, rangoli, and decoration competitions, as well as a kids' handwriting contest and talent showcase. The excitement continued with a glamorous ramp walk and surprise games for both ladies and gentlemen, including a thrilling game of tambola.

The highlight of the celebration was the Anand Mela, where laughter and joy filled the air, leading into a magical musical night featuring old Hindi super hits. Residents showcased their traditional attire and danced the night away.

The festivities culminated in a hawan, followed by a grand prize distribution ceremony, and concluded with the emotional vidai, or visarjan, as everyone bid farewell to Lord Ganesha.
